

SATURDAY MAMMOGRAMS - OPEN TO ALL WOMEN

Early detection saves lives. Convenient weekend appointments available. Book your mammogram today.

Why It Matters:

- Catch breast cancer early
- Expand your treatment choices
- Boost your chance of survival

WHO SHOULD GET SCREENED? EVERYONE IS WELCOME:

- Women 40 and older
- Those with a family history of breast cancer
- And women at higher risk

Age 40+: No order needed. Please inform front desk you are self-referring.

Under 40: Provider order required for screening.
